# Congregational videos at the 2010 Synod Assembly

## **New this year! Congregational videos**

At the 2009 Churchwide Assembly, congregations across the ELCA submitted 90-second videos addressing the ELCA tagline "God's work. Our hands." The videos explored the range of congregational ministry being done in this church, and the response was overwhelmingly positive. Congregations are invited to submit videos for this year's synod assembly around that same theme. The videos will be viewed by the assembly as time allows. How does your congregation carry out "God's work. Our hands." in your setting?

Congregations are invited to submit videos up to 90 seconds in length that share stories of their witness in the world around the theme "God's work. Our hands." The videos will be shared throughout the synod assembly. Congregations throughout the ELCA shared similar videos with voting members at the 2009 Churchwide Assembly. To view a sampling of these videos, visit [www.godsworkeourhands.org](http://www.godsworkeourhands.org).
