

# SPECIAL ADVENTURES

## A Non-Profit Charity

Created to make a difference in the lives of  
adults with disabilities

Special Adventures is a 501 (C)3 Organization, created to make a difference in the lives of adults with special needs. Because many people have limited funds, it's important to provide FREE, FUN and SAFE activities. For all adults with special needs, over eighteen, we provide a judgement-free, discrimination-free environment; where they connect with their peers, strengthen their social skills and improve their confidence.

### FUN IS FOR EVERYONE

**"WE CAN'T HELP EVERYONE BUT  
EVERYONE CAN HELP SOMEONE"**

Research has shown that "happy people" show more interest, encounter less stress and have a more positive attitude, than those who have nothing to enhance their lives or look forward to. These events have a positive effect to both their physical and mental well-being, as well as bring joy to their hearts.

Special Adventures is here to fill a void in the lives of adults with special needs. We are not a government program, we do not have limitless funds, we work hard to raise the money to provide these monthly events for the special-needs community. Donations are always appreciated.
