

Tanzania Sunday

What are some things the Tanzanian students in the video today like to do? Do you think they like music? Do you?

Sometimes it is fun to play music as you sing a song, today we are going to make our own instruments! We are going to make rain stick shakers!

SUPPLIES

Supplies in bag:

- Paper towel tube
- 2 rubber bands
- Dried rice
- Star stickers
- Paper squares
- Provide your own markers.

DIRECTIONS

Directions:

1. Decorate the tube with stickers and markers.
2. Take one paper square and place on the bottom of the tube.
3. Use a rubber band to secure it to the end of the tube. (You may need a helper)
4. Fill the tube with dry rice.
5. Place the other paper square on top of the tube— keeping it up right. And use the rubber band to secure it in place.
