

MISSION SUPPORT INTENTION FOR 2025

Benevolence...unrestricted revenue...mission support...these terms all refer to the undesignated dollars your congregation directs to the Saint Paul Area Synod to support the work we do as "church together." By extension, your contributions also support the programs and ministries of the Evangelical Lutheran Church in America (ELCA).**

We ask that you prayerfully consider your congregation's mission support gifts to the synod for 2025 and record your intentions with the synod office so we can accurately plan for the next financial year. Thank you!
