- Material offering - bring paper products for the local food shelves

Erin Hawkinson will speak on her adventures while living in Tanzania for over a year to now serving African Immigrants and Refugees in Wisconsin through Africa Inland Mission (AIM). AIM is a 120 year old Christian mission sending agency with a heart for Africa's people. While living in Tanzania, Erin learned Swahili. She has a master's degree in Cross-Cultural Ministry Education. Currently in the States, Erin has seen a wonderful opportunity to care for the sojourners who have needed to find a new place to call home. Close to her family's farm,

there is a population of East Africans who she has developed relationships with and assisted them in their English education and sewing. She has found opportunities to utilize her knowledge of Swahili in bridging the gap and looks forward to sharing God's love to those who have found a home here in this community.
